

WELCOME TO THE FIRST FREEDOM OF WRITING  
EVENT

The Hull We, no wait,  
sorry, The Hill We Climb!

Did you know that almost 10 percent of the words in my work  
were invented by myself. Many of these creations are now adopted  
into the English language of today,... YES! "Thou shalt not speak in  
tongues". Thou shalt not be requirey.

Ja, beste mensen, mijn woord: "eiserig"  
behaalt een 8 op de Scrabble-  
Puntenscore, terwijl mijn illustrator  
zich het woord: "decolleténisering"  
toeëigend. Scrabble-Puntenscore: "21".
